📍 3 Alqawmia St., Giza

Language

- English
- Arabic (basic)

Expertise

- Management Skills
- Creativity
- Digital Marketing
- Negotiation
- Critical Thinking
- Leadership

Experience

Geophysics department at Cairo University
3/2019
Siwa field trip (5 days)for Geo physics survey (seismic ,magnetic ,resistivity ,and GPR)

Yard visit
Schlumberger 4/2020
we visited the facility and took
several sessions about different aspects of oil and gas

Education

Cairo University Faculty of Science
CPA : 2.5 (very good)
Graduation Project (Excellent) about
Seismic Data Processing Using Python
2017- 2021
https://youtu.be/T9wuA2ibtSE

Skills Summary

Python	https://youtu.be/T9wuA2ibtSE
Data Science	
Data Analysis	
Machine Learning	
GUI Design (Tkinter , Pyqt5 , Kivy)	
Gamer Developer (Unity)	https://youtu.be/7Tg56baeMgA
Html , Css , JS	
React.js	https://concrete-courses.web.app/
Django
